Ms. Carol Misseldine
Co-ordinator
Green Cities California (GCC)
26 Corte Madera Ave.
Mill Valley, CA 94941

Dear Carol:

It has been my distinct honor to work with you and the other Green Cities California members to build one of the most effective local government environmental associations in the nation.

With my appointment to U.S. EPA, I am formally ending my involvement with Green Cities California, effective today. Please work with David Assmann and Debbie Raphael at the Department of the Environment to select a new lead representative for this important coalition effort.

Good luck in all your future work.

Sincerely yours,

(b) (6)
